

ABHISHEK KUMAR

COLLEGE STUDENT

Sitamarhi, Bihar

c.omradehotmail@gmail.com

ABOUT ME

I am a dedicated first-year student at IIT Madras, pursuing a Bachelor's degree in Data Science & Applications. With a strong passion for technology, I am particularly interested in Artificial Intelligence and Machine Learning. I enjoy tackling complex problems and developing innovative solutions through programming and data analysis. My GitHub projects reflect my commitment to continuous learning and my ability to apply theoretical knowledge to practical applications. I am eager to collaborate on exciting projects and contribute to impactful initiatives in the tech industry.
